

Want to Believe

[Rich Aucoin](#)

Have I found what I needed?

Can you ever conceive it?

If I heard it in nothing,

will I see it in something?

In times like this, I want to be a believer.

In times like this, I want to be a believer.

In times like this, I want to be a believer.

In times like this, I want to be a believer.

I want to be a believer.

Am I hardly existing?

Can I see what I'm missing?

When I die, is it ending?

Can I go on pretending?

In times like this, I want to be a believer.

In times like this, I want to be a believer.

In times like this, I want to be a believer.

In times like this, I want to be a believer.

Ooohh...

I want to be a believer.

Ooohh...

I want to be a believer.

Ooohh...

I want to be a believer.

Ooohh...

I want to be a believer.
