Wish Me Well

Procol Harum

You know I caught a glimpse, thought I understood
But I left it all far behind
Now if I'd known then what I know now
Do you think I would've been so blind?
Gonna take myself to the wishing well
I'm gonna make myself one last wish
And if you follow me there, better bring what you've found
Cause my night has come and I'm going downGonna buy myself a big rocking chair
And when I'm sitting in that, then no-one will peek
And my friends will come, they'll see what I'm suffering from
How I wish, how I wish I could rock myself to sleep
Gonna take myself to the wishing well
Gonna make myself one last wish
If you follow me there, better bring what you've found
Cause my night has come and I'm going down
