

# Joyride (Great People Remix)

[Jump5](#)

Yeah yeah

Joyride To be free come with me, it's a joyride

Love's a sweet remedy, it's a joyride

Follow me you will see it's alright

We'll fly so high on this joyride You see me and you wonder how I got like this

And maybe if you had it all you could comprehend

You say that life's a trip, you can't take anymore

So come with me, you will see the very thing your searching for Life is a joyous ride if you want it to be

I'll take you to the other side, and maybe you will see

Leave all the pain behind, there's a greater love

Eternity's no mystery, you'll find the hope your dreaming of There's so much more just take it from me

You will see, it's the answer it's your destiny To be free come with me, it's a joyride

Love's a sweet remedy, it's a joyride

Follow me you will see it's alright

We'll fly so high on this joyride I know that you feel alone like nobody cares

You don't know which way to go but the answer's right there

Come on and free your soul, leave the past behind

Just take my hand, you'll understand that now's the time to fly so high There's so much more just take it from me

You will see, turn your dreams into reality To be free come with me, it's a joyride

Love's a sweet remedy, it's a joyride

Follow me you will see it's alright

We'll fly so high on this joyride Yeah yeah alright

Joyride To be free come with me, joyride

Love's a sweet remedy, it's a joyride

Follow me you will see it's alright

We'll fly so high on this joyride Oh yeah, joyride

Oh yeah, joyride

Follow me you will see it's alright

We'll fly so high on this joyride To be free come with me, joyride

Love's a sweet remedy, it's a joyride

Follow me you will see it's alright

We'll fly so high on this joyride
