

# Street Lights

Kanye West

Let me know  
Do I still got time to grow  
Things ain't always set in stone  
That be known let me know  
Let me

Seems like, street lights, glowin  
Happen to be just like moments, passin  
In front of me so I hopped in, the cab and  
I paid my fare see I know my destination  
But I'm just not there

All the street lights, glowin'  
Happen to be just like moments, passin'  
In front of me so I hopped in, the cab and  
I paid my fare see I know my destination

But I'm just not there  
In the streets  
In the, streets  
I'm just not there in the streets  
I'm just not there  
Life's just not fair

Seems like, street lights, glowin  
Happen to be just like moments, passin  
In front of me so I hopped in, the cab and  
I paid my fare see I know my destination  
But I'm just not there

All the street lights, glowin  
Happen to be just like moments, passin  
In front of me so I hopped in, the cab and  
I paid my fare see I know my destination  
But I'm just not there

All the street lights, glowin  
Happen to be just like moments, passin  
In front of me so I hopped in, the cab and

I paid my fare see I know my destination

But I'm just not there

In the streets

In the, streets

I'm just not there in the streets

I'm just not there

Life's just not fair

Life's just not fair
