It's all because of you, I'm feeling sad and blue
You went away, now my life is just a rainy day And I love you so, how much you'll never know
You've gone away and left me lonely Untouchable memories, seem to keep haunting me
Of a love so true
That it once turned all my gray skies blue But you disappeared
Now my eyes are filled with tears
And I'm wishing you were here with me Soaked with love are my thoughts of you
Now that you're gone, I just don't know what to do If only you were here
You'd wash away my tears
The sun would shine and once again
You'd be mine all mine But in reality, you and I will never be
'Cause you took your love away from me Girl, I don't know what I did
To make you leave me but what I do know
Is that since you've been gone
There's such an emptiness inside
I'm wishing you'd come back to me If only you were here
You'd wash away my tears
The sun would shine and once again
You'd be mine all mine But in reality, you and I will never be
'Cause you took your love away from me Oh, baby, you took your love away from me
