

# Man Of Me

Gary Allan

Well high school got me educated  
Still when I graduated  
I didn't have a clue Did a stand in the Navy  
They did they're best to break me  
Somehow I made it through I've had some hard knocks  
I've been around the block  
But baby I believe  
That love and you made a man of me Raising hell racing cars  
Closing down the local bars  
That what I used to do Family told me settle down  
Find yourself some solid ground  
Where you can put down some roots Back then I thought love  
Was only sissy stuff  
But now I see  
That love and you made a man of me Love and you made a man of me Don't know what it is you do  
But every time I'm holding you  
I know what my heart is for I'm the one you lean on  
Gotta be strong  
It's not just about me anymore Well goodbye to my blind and immature days  
Love and you made a man of me  
Made a man of me, yeah  
Made a man of me, wow I'd still be only lost and lonely  
As a boy could be can't ya see  
That love and you made a man of me  
Love and you made a man of me Ya made a man of me  
Man of me, yeah
