

# Lowlife

## Bud Shank, Bud Bkookmeyer

You know I'll be the one who gets fallin' down drunk  
At my neighbor kid's soccer game  
I got an '82 Fierro with a car seat in the middle  
Broken down on the Interstate

I've got a beer-stained t-shirt looking like Joe Dirt  
Something 'bout me just ain't right  
I'm a cash-stealing, drug-dealing loser without any feeling  
Gettin' trailer trash tonight

[Chorus]

'Cause I'm a low life, and I'm lovin' it  
I got the whole damn world in the palm of my hand  
I'm a low life, so fucking deal with it  
No you can't change something that you don't understand

I'm thrilled to be a hillbilly, hate to have to deal with me  
Probably just end in a fight  
No sleeves, can't breathe, doesn't even phase me  
Naked, sleeping like a baby tonight

[Chorus]

Livin' it up, livin' it up  
Being a low life  
Livin' it up, livin' it up  
Being a low life  
Livin' it up, livin' it up  
Being a low life  
I'm livin' it up, livin' it up

A gun-packin', bitch-smackin', mess with me it's gonna happen  
Lovin' life livin' in sin  
Passed out on the floor, sorry just don't work no more  
Givin' up or givin' in

Ah fuck it

'Cause I'm a low life, and I'm lovin' it  
I'm never gonna change as long as I live  
I'm a low life, so fuckin' deal with it

'Cause deep down I really know everyone is

'Cause we're low lives, and we're lovin' it

We got the whole damn world in the palm of our hand

'Cause we're low lives, so fuckin' deal with it

No you can't change something that you don't understand

I'm livin' it up, livin' it up

Being a low life
