

# Under the Wave

## Erasure

Spinning out of reach of love  
I don't know what to do about it  
So afraid to open up  
But I don't wanna be alone tonightHolding on for dear life  
Waiting 'til it washes over  
Scared of when the rushes come  
Will I even make it out alive?Helpless  
I drift from love  
Helpless  
I drift from loveI don't know what to do  
I don't know what to say  
I am out of my depth  
I go under again  
I don't know what to do  
I don't know what to say  
And I am out of my depth  
I go under the waveSure there ain't no cure for love  
But someone's gotta save me from it  
Tell me when it knocks me down  
Will I always fall so hard each time?Helpless  
I drift from love  
Helpless  
I drift from loveI don't know what to do  
I don't know what to say  
I am out of my depth  
I go under again  
I don't know what to do  
I don't know what to say  
And I am out of my depth  
I go under the waveI don't know what to do  
I don't know what to sayI don't know what to do  
I don't know what to sayI don't know what to do  
I don't know what to do  
I don't know what to say  
And I am out of my depth

I go under the wave
