Unemployment

Beefcake

Why is everybody fucking with me?
Why is everybody all in my shit?
I said No
Just get away
Doin fine living off of the state
Doin fine man taking a break
I said No
Just get awayWell my mom and dad want me to get a job
and my girlfriend wants me to get a job
and everybody else wants me to get a job
But I'm doing just fine on unemployment
I'm a good-for-nothing couch potato
Good-for-nothing but that's how it goes
I said No
Just get away
Workin hard and I'm hardly workin
Workin hard and I'm takin a break
I said No
Just get away
Well my mom and dad want me to get a job
and my girlfriend wants me to get a job
and everybody else wants me to get a job
But I'm doing just fineAll you lazy motherfuckers get a fuckin job!
