

# Super 8

## Josie Cotton

Don't want to die in a Super 8 Motelâ€¢â€¢Just because somebody's evening didn't go so well  
â€¢If I ever get back to Bristol  
â€¢I'm better off sleeping in a county jail  
â€¢Don't want to die in a super 8 Motel â€¢â€¢Having such a sweet night  
â€¢Audience is just right  
â€¢Drinking like a pirate do  
â€¢Don't want to sleep yet  
â€¢Buddy it's a good bet  
â€¢I'll raise more hell than you  
â€¢Do a couple rails  
â€¢And chase your own tail  
â€¢And talk about the bad old days  
â€¢Trimmer in a t-shirt  
â€¢Telling me her heart hurt  
â€¢Honey let me count the ways  
â€¢Then a big boy busted in  
â€¢Screaming at his girlfriend  
â€¢Waving around a Fungo bat  
â€¢Bass player stepping up  
â€¢Brandishing a coffee cup  
â€¢Took it in the baby fatâ€¢â€¢I don't want to die in a Super 8 Motel  
â€¢Just because somebody's evening didn't go so well  
â€¢If I ever get back to Bristol  
â€¢I'm better off sleeping in a county jail  
â€¢I don't want to die in a Super 8 Motel â€¢â€¢Well I finally got the room clear  
â€¢Bleeding from the left ear  
â€¢Feeling pretty bad for the maid  
â€¢Lost a couple drinks and my dinners in a sink  
â€¢Woke up with the bed still made  
â€¢Wasn't quite morning and I wasn't quite breathing  
â€¢My heart way up in my throat  
â€¢The Girl starts screaming and the maid starts screaming  
â€¢And it looks like it's all she wrote  
â€¢Well they slapped me back to life  
â€¢And they telephoned my wife  
â€¢And they filled me full of Pedialyte  
â€¢Some are guts some are glory  
â€¢And it would make a great story  
â€¢If I ever could remember it rightâ€¢â€¢I don't want to die in a Super 8 Motel

â€¢ Just because somebody's evening didn't go so well  
â€¢ If I ever get back to Bristol  
â€¢ I'm better off sleeping in a county jail  
â€¢ I don't want to die in a Super 8 Motel  
â€¢ I don't want to die in a Super 8 Motel
