

# Lonely Christmas

[Ferlin Husky](#)

Lonely Christmas I'll have this year lots of teardrops cause you're not here  
Lonely Christmas since you went away lonely Christmas on this Christmas Day When I'll wake up on Christmas  
morning I'll be alone  
It will take a while to realize that you are really gone  
Missing someone yes I do lonely Christmas my dear without you  
[ guitar - steel ]  
Lonely Christmas I'll have this year...  
Lonely Christmas on this Christmas Day
