

# Death In Fire (Live At Wacken 2004)

## Amon Amarth

The wait is soon at end  
Always charge, never bend  
Morning is here, make your stand  
Live for honor, glory, death in fire  
Total war is here  
Face it without fear  
Age of sword, age of spear  
Fight for honor, glory, death in fire  
See the fire rise  
Flames are raging high  
Soon all will burn and die  
Burn for honor, glory, death in fire  
Storm of lethal flames  
Only death remains  
Ragnarok is closing in  
Die for honor, glory, death in fire  
Forces of chaos are on the move  
Everyone, choose your side  
And know the day is coming soon  
The day for all to die  
The day is here when Bifrost breaks  
Nor sun or moon will rise  
When the dead rise from their graves  
And Surtur spreads his fire  
All you know will wither away  
And sink into the sea  
A new world will be born one day  
Where everyone is free  
Total war is here, face it without fear  
Age of sword, age of spear  
Fight for honor, glory, death in fire  
Storm of lethal flames  
Only death remains  
Ragnarok is our fate  
Die for honor, die for glory  
Die, death in fire
