

More Than Words

Devotion

Sayin', "I love you" is not the words I want to hear from you
It's not that I don't want you, not to say but if you only knew
How easy it would be to show me how you feel

More than words is all you have to do to make it real
Then you wouldn't have to say that you love me
'Cause I'd already know
What would you do, if my heart was torn in two?

More than words to show you feel

That your love for me is real

What would you say, if I took those words away?
Then you'd come and make things new
Just by sayin', "I love you"la di da, la di da, di da da da

More than words

la di da, da la di da, ooh
Now that I trust you, talk to you, and make you understand

All you have to do is close your eyes and just reach out your hand

And touch me, hold me close, don't ever let me go

More than words is all I ever needed you to show
Then you wouldn't have to say that you love me
'Cause I'd already know
What would you do, if my heart was torn in two?

More than words to show you feel

That your love for me is real

What would you say, if I took those words away?
Then you'd come and make things new
Just by sayin', "I love you"More than words

More than words

More than words
