

My Heart Will Go On

Jackie Evancho

Every night in my dreams
I see you, I feel you,
That is how I know you go on Far across the distance
And spaces between us
You have come to show you go on Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on Love can touch us one time
And last for a lifetime
And never let go till we're gone Love was when I loved you
One true time I hold you
In my life we'll always go on Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on You're here, there's nothing I fear,
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart
And my heart will go on and on
