Devil Woman

Ringo Starr

Every time I see you walkin' down the street
I say, you're the kind of woman I just gotta meet
You look so good and you look so fine
And one of these days I'm gonna make you mineYour eyes are green and your legs are long
And if I'm gonna get you, well, I gotta be strong
But you're like the devil with horns in your head
The only way I'll get you is to get you in bedDevil woman, you're like a stranger to me
Devil woman, this ain't the way it should beEvery time I see you in the neighborhood
I say, you're the kind of woman that makes me feel good
I wanna beat you up then I wanna be kind
And one of these days I'm gonna make you mineSexy Sadie, you look like the devil to me
Devil woman, that's not the way it should be, yeah
Devil woman, you're like a stranger to me
Devil woman, this ain't the way it should beEarly in the mornin' when the sun is hot
All I do is think about the things you got
But you're like the devil with horns in your head
The only way I'll get you is to get you in bedDevil woman, you're like an angel to me
Devil woman, this ain't the way it should be, yeahEvery time I see you walkin' down the street
I say, you're the kind of woman I just gotta meet
But you're like the devil with horns in your head
The only way I'll get you is to get you in bedBut you're like the devil with horns in your head
The only way I'll get you is to get you in bed
You look like the devil with horns in your head
The only way I'll get you is to get you in bedI said, you look like the devil
