It's OK!

Miquell Santos & Tofke

Well I remember all the nights I used to stay at home
On the phone, all night long
Used to talk about the things we really wanna do
I believed in youI remember how you used to say
Have no fear, be okay
When you told me anything you want is possible
We could have it allI believed in you
I must have been a fool
All my dreams were with youI say, "It's okay"
I can promise you, it's alright
You ain't keeping me up all night, no more
You're not here but it's okay
I assure you babe it's alright
You ain't keeping me up all night, no more
You're not here but it's okayWell, now you got to where you wanted like I knew you would
Cash, car, house, it's all good
Is that why you never come around here no more
Like you did before?Got it all that's the way it seems
Looks like you lived your dream
And I hope your life has turned out for the better now
When I'm not aroundI believed in you
I must have been a fool
All my dreams are with youI say, "It's okay"
I can promise you, it's alright
You ain't keeping me up all night, no more
You're not here but it's okay
I assure you babe it's alright
You ain't keeping me up all night, no more
You're not here but it's okayIt's alright and it's okay and
It's alright and it's okay and
It's alright and it's okay and
And you're not here with meIt's alright and it's okay and
It's alright and it's okay and
It's alright and it's okay and
And you're not here with meI say, "It's okay"
I can promise you, it's alright
You ain't keeping me up all night, no more
You're not here but it's okay
I assure you babe it's alright

You ain't keeping me up all night, no more
You're not here but it's okayIt's alright and it's okay and
It's alright and it's okay and
It's alright and it's okay and
And you're not here with meIt's alright and it's okay and
It's alright and it's okay and
It's alright and it's okay and
You're not here but it's okay
