Spud-U-Like

Barclay James Harvest

Super mean machine
Taking over all the kids you've ever seen
Locked into the screen
Jabbing at the buttons like they're in a dreamDon't want a mega drive
Just give me spud-u-like
And lots of records that'll make me scream
Give me the radio playing all the songs I know
Don't want no Game boy, just a rock and rollOh, a, oh, give me a radio
Don't want a Game Boy, just rock and roll
Oh, a, oh, give me a radio
Don't want a system that ain't got no soulVirtual reality
Taking over grown ups like you've never seen
Locked into the screen
Simulated mass-destruction oh so cleanDon't want a mega drive
Just give me spud-u-like
And lots of records that'll make me scream
Give me the radio playing all the songs I know
Don't want no Game Boy, just a rock and rollOh, a, oh, give me a radio
Don't want a top gun, just rock and roll
Oh, a, oh, give me a radio
Don't want a system that's not rock and rollOh, a, oh, give me a radio
Don't want a Game Boy just rock and roll
Oh, a, oh, give me a radio
Don't want a system that ain't got no soulKids grow up to be
Simulation junkies when the game's for real
Don't want no C.T.V
When they're pushing all the buttons and the game's for freeDon't give me a mega drive
Just give me spud-u-like
And lots of music that'll make me scream
Mean machine in my dreamsI need you, radio
I want you, radio
I need you, radio
I want you for the things you doNo more Game Boy, just want rock and roll
No more top gun, just want rock and roll
No more smarts bombs, just want rock and roll
No more Game Boy, just want rock and rollOh, a, oh, give me a radio
Don't want a Game Boy, just rock and roll
Oh, a, oh, give me a radio
Don't want a system that's not rock and rollOh, a, oh, give me a radio

Don't want a top gun, just rock and roll
Oh a oh give me a radio
Don't want a system that ain't got no soulOh, a, oh, give me a radio
Don't want smart bombs, just rock and roll
Oh, a, oh, give me a radio
Don't want a system that's not rock and roll
