Fill Your Heart (LP Version)

Tiny Tim

And now my dear friends
I'd like to dedicate this song to all of you out there
Wherever you may be
North, south, east or west, to everyone all over the world
This song is for youFill your heart with love today, don't play the game of time
Things that happened in the past, happened in your mind
In your mind, only in your mind, in your mind
Forget your mind and you'll be freeHappiness is happening, the dragons have been bled
Loveliness is everywhere, fear's just in your head
In your head, only in your head, in your head
Forget your head and you'll be freeThe writing's on the wall, free, and you can know it all
Know it all if you choose remember lovers never lose
They are free of thoughts unpure, and of thoughts unkind
Gentleness can clear the head, love can clean the mind
And make it freeThe writing's on the wall, and you can know it all
Know it all if you choose, remember lovers never lose
They are freeFree, free, free, free
