

Never Wanna See That Look Again

[Christopher Owens](#)

There was one time when I drank too much
Two times when I said too much
Three times I found myself leaving here without you in my arms
Four times when I acted up
Five times when I messed it up
Too many times I've had to leave alone without you in my arms
Say it's not true my love
That you don't need me anymore
Hey hey hey there's a look in your eyes
Everytime I say goodbye
And I never wanna see that look again
One time when I drank too much
Two times when I said too much
Three times I found myself leaving here without you in my arms
Four times when I acted up
Five times when I messed it up
Too many times I've had to leave alone without you in my arms
Say it's not true my love
That you don't need me anymore
Hey hey hey there's a look in your eyes
Everytime I say goodbye
And I never wanna see that look again
There's a look in your eyes
Everytime I say goodbye
And I never wanna see that look again
There's a look in your eyes
Everytime I say goodbye
And I never wanna see that look again
