

Like You Used To (Mix Cut)

Kidnap Kid

Holding me,
Holding me like you used to
Loving me
A love I wasn't used to I wonder where you've been
And do you think of me
'Cause I'm not missing you at all I'LL BE ALRIGHT
I'LL BE OK
And it fall fine
You're away and I'm away
IT'S NOT MY CRIME
Still, I'm locked away
I'M SERVING TIME
I will learn from this mistake Leaving me
On thin ice you walk me home
It's keeping me
Well away from your throne And I'm at ease
Pretending that I have you here
Knowingly
You refuse to keep me near You sent me flying
You sent me flying
Touch of you sent me flying
The touch of you sent me flying I wonder where you've been
And do you think of me
'Cause I'm not missing you at all I'LL BE ALRIGHT
I'LL BE OK
And it fall fine
You're away and I'm away
IT'S NOT MY CRIME
Still, I'm locked away
I'M SERVING TIME
I will learn from this mistake You sent me flying
You sent me flying
You sent me flying
You sent me flying
