

Turn on Your Love Light

Them

Got a woman, broke my heart
Took it darling, tore it apart
You left me sitting by the fire crying
You said your love for me was dying And I'm begging you baby
Baby please
I'm begging you baby
I'm down on my knees Turn on your light
Let it shine on me
Turn on your love light
Let it shine on me
Let it shine, shine, shine
Let it shine Now I want to know
I gotta know baby
Feel alright
Feel alright
And I ah-woo, feel alright Feel a little lonely in the middle of the night
I need you darling everything alright
Turn on your light
Let it shine on me
Turn on your love light
Let it shine on me A little bit higher (turn on your lovelight)
A little bit higher (turn on your lovelight)
A little bit higher (turn on your lovelight)
A little bit higher baby (turn on your lovelight) A little bit higher (turn on your lovelight)
A little bit higher (turn on your lovelight)
I want to know yeah (turn on your lovelight)
I gotta know (turn on your lovelight) She's all that I need (turn on your lovelight)
She's all that I need (turn on your lovelight)
All that I need (turn on your lovelight)
Ooo, alright (turn on your lovelight) Yeah (turn on your lovelight)
