One Wish

Ray J.

Damn baby,
I just don't understand were we went wrong,
I gave you my heart,
I gave you my soul,
I gave you...

As a matter of fact I was the one who said I love you first.
It was about 8 yrs ago, don't act like you don't know.
We're were sitting at home in your mama's living room
'Cause we couldn't be alone ÃƒÂ¢?? you see

Your mama knew I was something else she knew how I felt.
Back then we were in school, and that's your favorite excuse.
See growing up I was a fool and I can't lie I'm missing you.
Listen and don't trip
I think I need a bottle with a genie in it, here's my wish list.

[Chorus]
First one, I would create a heart changing love,
Second one, I'll take yours and fill it all up,
Third one, but I don't need a lot of wishes cause I'd be okay if I get one.
If I had one wish, we would be best friends, love would never end, it would just begin.
If I had one wish, you would be my boo, promise to love you, trust me I trust you.
If I had one wish, we would run away, making love all day, have us a baby.
If I had one wish, I'd make you my whole life and you'd be my wife, make it right this time.

If I had one wish,
One wish, one wish,
One wish, one wish,
One wish, one wish,
One wish, one wish,
One wish, one wish,
One wish, one wish.

Now tell me is this the only way I can get you right back in?
If so then search and I'll go. Then I can have you for sho, then you'll be loving me, holding me, kissing, me ÃƒÂ¢?? so girl don't tell me what I'm feeling is make believe. I swear if I lose a second chance with you, I wouldn't know what to do. I'd probably check myself into some kind of clinic. I couldn't be alone because without you I'm sick.

Here's my wish list:

[Chorus]
First one, I would create a heart changing love,
Second one, I'll take yours and fill it all the way up,
Third one, but I don't need a lot of wishes cause I'd be okay if I get one.
If I had one wish we would be best friends, love would never end, it would just begin.
(Starting here right now)
If I had one wish, you would be my boo, promise to love you (promise love) trust me I trust you. (I'll trust you)
If I had one wish, we would run away (yes we would), making love all day,
(feel so good) have us a baby.

If I had one wish,
I'd (make you my whole life) make you my whole life and you'd be my wife,
Make it right this time, if I had one wish.

I don't even know how we ended upon this road;
And, even though we are grown, girl I just want you to know.

[Chorus]
If I had one wish, we would be best friends, love would never end, it would just begin.
If I had one wish, you would be my boo, promise to love you, trust me I trust you.
If I had one wish, we would run away, making love all day, have us a baby.
If I had one wish, I'd make you my whole life and you'd be my wife, make it right this time.

If I had one wish,
One wish, one wish,
One wish, one wish,
One wish, one wish,
One wish, one wish,
One wish, one wish,
One wish, one wish.
