

Cave of Adullam

[Sara Groves](#)

Speak to me, speak to me in my cave of Adullam
Reach to me, reach to me, no one cares for my soul
I thought I saw your kingdom, but it's not going to happen
Like I thought it would happen Remind me, remind me of the vision you gave me
Remind me, remind me what anointing oil is for
I need to know you're near me
I need to know you are holding me just as closely As the day you took my life and gave me a vision
As the day you poured the oil and gave me a dream
I can't believe this is happening
How does a shepherd become a king?
