What's Coming (With Jette von Roth)

Schiller

Take a deep breath
Complete the action don't turn away
Don't think it's over up to extremes and finish what you start wait for me
Don't think it over can I stop
What's coming'
I cannot stop
What's coming!
What was the 'cause of our fire?
I dream the plan cause I don't stop I know that it's not always simple I'm telling you
Don't think it over can I stop
What's coming'
I cannot stop
What's coming!
Keep hope alive
Help me to be strong things that decay
Decay forever come over here
Can't stand it anymore I wait for you
Don't think it over can I stop
What's coming?
I cannot stop
What's coming!
