I've Got My Love To Keep Me Warm

Johnny Mathis

The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm?
For I've got my love to keep me warmI can't remember a worse December
Just watch those icicles form
What do I care if icicles form?
I've got my love to keep me warmOff with my overcoat, off with my gloves
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the stormWhat do I care how much it may storm?
Oh, I've got my love to keep me warmWhat do I care how much it may storm?
'Cuz I've got my love to keep me warmOff with my overcoat, off with my gloves
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the stormWhat do I care how much it may storm?
Oh, I've got my love to keep me
(I've got my love to keep me)
I've got my love to keep me warm
