

# I Don't Remember

Ciara

what did i say, to him last night i cant feel my face tryin focus but my mind not right i remeber the party the dj's  
my homie my nam and meeee!!! the rest of exploering something i did made my baby go away got the same  
cloths on today that i had on yesterday what did i do what i say mann i dont remember .guess i had to much to  
drink cuz i dont remember. o my car ant out side how the hell did i get home DAMN did he drive me drop me  
off got his stuff and got gone Cant call my homies cuz im looking and i just cant found my phone i need to talk  
to somebody.Something i did made my baby go away got the same cloths on today that i had on yesterday what  
did i do what i say but i dont remember. i guess i had to much to drink cuz i dont remember is he gone forever  
mann i jus dont is he gone forever oooaw wish i could play back from beinging to the end i think we stared  
danceing i kind of remember a kiss yeah with a cute bartender with the remy, heny, the coke, and jen .Cause im  
not a drinker caught in the moment my baby go away. got the same cloths on today that i had on yesterday what  
did i do what i say i just dont remember guess i had to much to drink cuz i dont remember is he gone forever  
mann i dont i jus dont remeber ooo baby so intoxicated had enough of conversation to much drink and havein  
fun whattt was i thinking jus celebrating o please forgive me baby i jus dont remember...
