Waster

Win Win

Find another lover
Take another pill
Shake the arms that wrap around you
Skip out on the billFind another lover
Take another pill
It's the morning after
Find another thrillTrying to waste another day
Trying to waste another day
Trying to waste another dayEverybody wants you
When your cup is full
Kiss yourself to settle down
If you had only felt the pullThere must be someone better
Something else to give
A different set of quilted lips
That never harms refrainsTrying to waste another day
Trying to waste another day
Trying to waste another dayTrying to waste another day
Trying to waste another day
Trying to waste another day
