

# Take Cover

## Mr. Big

Words in my mouth  
Someone told me to say  
They go unspoken  
My mind gets in the way I hold my tongue  
Save my, save my soul  
True to myself  
And stay gold Sometimes you gotta pull the plug  
Somewhere a little place to crawl  
Love me for who I am  
It doesn't have to be this hard  
For an ordinary man I wanna take cover, take cover  
From you, wake me when it's over  
Take cover, I wanna take cover  
From you Sold all my dreams  
Watched them all disappear  
I've spilled my blood  
No one seems to care 'Cause sometimes you gotta pull the plug  
Somewhere a little place to crawl  
Love me for who I am  
How low do I have to go to make you  
Understand? I wanna take cover, take cover  
From you, wake me when it's over  
Take cover, I wanna take cover  
From you I wanna take cover, take cover  
From you, wake me when it's over  
Take cover, I wanna take cover  
From you Cover, take cover  
Nothing I can do to keep from going on  
But take cover, take cover  
From you Save my soul, save my soul
