

# Warrior (Red Bull session)

## Aurora

[Verse 1]

I fall asleep in my own tears  
I cry for the the world, for everyone  
And I build a boat to float in  
I'm floating away[Pre-Chorus]  
I can't recall the last time I opened my eyes to see the world as beautiful  
And I built a cage to hide in  
I'm hiding, I'm trying to battle the night[Chorus]  
Let love conquer your mind  
Warrior, warrior  
Just reach out for the light  
Warrior, warrior  
I am a warrior  
Warrior, warrior  
I am a warrior

Warrior, warrior of love[Verse 2]

I stand behind the wall of people and thoughts, mind controlling  
And I hold a sword to guide me  
I'm fighting my way[Pre-Chorus]  
I can't recall the last time I opened my eyes to see the world as beautiful  
And I built a cage to hide in  
I'm hiding, I'm trying to battle the light[Chorus]  
Let love conquer your mind  
Warrior, warrior  
Just reach out for the light  
Warrior, warrior  
I am a warrior  
Warrior, warrior  
I am a warrior

Warrior, warrior of love[Bridge]

Underneath darkened skies  
There's a lamp kept alight[Chorus]  
Let love conquer your mind  
Warrior, warrior  
Just reach out for the light  
Warrior, warrior  
I am a warrior  
Warrior, warrior  
I am a warrior

Warrior, warrior of love

Warrior of love

Warrior of love
