

The Place (Ft. Sue Gerger)

Xilent

Now we have seen the light
seen the darkest nights
(We) learned life's a risk to take
full of bliss and pain
(I) never lose sight of what my soul requires
even if the way seems much too long
I patiently move on trying to stay on target
till I reach the place where I belong
On and on's the way to go
ain't no bashing storm to bring us low
So I love and I breath
and I'm bravely moving on
till I reach the place where I belong
