

# Give Me a Reason

Doro

This is another lonely morning  
It feels like another lonely night  
I'm almost sure i'll give up hoping  
Or shouldn't give it one more try

Give me a reason  
To hold on to this love  
Give me a reason  
To stay strong in my heart  
Show me a reason that i go on  
Words came straight from the start  
All along  
Give me one good reason  
A reason to go on

Did i just see a tear in your eyes  
Did i just miss a silent sign  
Is it the end or is it my mind  
Making it hard for you to try

Give me a reason  
To hold on to this love  
Give me a reason  
To stay strong in my heart  
Show me a reason that i go on  
Words came straight from the start  
All along  
Give me one good reason  
A reason to go on

Give me one good reason to try...  
To stay strong...To hold on  
Give me a reason to stay strong  
Show me a reason that i go on  
Words came straight from the start  
All along  
So give me one good reason  
A reason to go on.
