

# My Problem

## Dance Hall Crashers

Never thought of leaving you today,  
Never thought I'd ever feel this way,  
But now I'm gone and you are alone.  
I hope you're not waiting by the phone.

I am never coming back,  
Not because of anything you lack.  
Belive me there's nothing that you can do,  
The problem is with me and not with you.

You've been there for me,  
Each and every time.  
Trust me it's not your problem,  
It is mine.

I'm sorry I don't know,  
What's going though my head,  
I didn't mean for you,  
To be mislead.

For some reason I don't know,  
It doesn't feel right so I have to go.  
Don't let it hurt your self-esteem.  
You'll be some girl's ever lasting dream.

It has nothing to do with you,  
Please trust me for I'm being true.  
I'm sorry for all the pain it will bring,  
It's just another dumb girl thing.

You've been there for me,  
Each and every time.  
Trust me it's not your problem,  
It is mine.

I'm sorry I don't know,  
What's going though my head,  
I didn't mean for you,  
To be mislead.

You've been there for me,  
Each and every time.  
Trust me it's not your problem,  
It is mine.

I'm sorry I don't know,  
What's going though my head,  
I didn't mean for you,

To be mislead.
