Your Song

Music by Elton John

Lyrics by Bernie Taupin It's a little bit funny this feeling inside

I'm not one of those who can easily hide

I don't have much money but boy if I did

I'd buy a big house where we both could live If I was a sculptor, but then again, no

Or a man who makes potions in a travelling show

I know it's not much but it's the best I can do

My gift is my song and this one's for you And you can tell everybody this is your song

It may be quite simple but now that it's done

I hope you don't mind

I hope you don't mind that I put down in words

How wonderful life is while you're in the world I sat on the roof and kicked off the moss

Well a few of the verses well they've got me quite cross

But the sun's been quite kind while I wrote this song

It's for people like you that keep it turned on So excuse me forgetting but these things I do

You see I've forgotten if they're green or they're blue

Anyway the thing is what I really mean

Yours are the sweetest eyes I've ever seen
