

No More Night

David Phelps

The timeless theme, Earth and Heaven will pass away
Its not a dream, God will make all things new that day
Gone is the curse from which I stumbled and fell
Evil is banished to eternal hell No more night, no more pain
No more tears, never crying again
And praises to the great, "I AM"
We will live in the light of the risen Lamb See all around, now the nations bow down to sing
The only sound is the praises to Christ, our King
Slowly the names from the book are read
I know the King, so theres no need to dread No more night, no more pain
No more tears, never crying again
And praises to the great, "I AM"
We will live in the light of the risen Lamb See over there, theres a mansion
Oh, thats prepared just for me
Where I will live with my Savior eternally No more night, no more pain
No more tears, never crying again
And praises to the great, "I AM"
We will live in the light of the risen Lamb All praises to the great, "I AM"
Were gonna live in the light of the risen Lamb
