

# Sick and Tired

## Pulling Teeth

Sleepless nights and twisted fucks  
barely breathing on the bathroom floor  
i can't stand this place i'm in  
i can't bear to live in this skin  
cold sweats and dirty sheets  
and i'm so alone  
i'm rotting from the inside out  
this isn't how it's supposed to be  
i'm sick and i'm tired  
and i can't take anymore  
sleepless nights and twisted fucks  
barely breathing on the bathroom floor  
please don't talk to me  
i'll be alright all by myself let me live in peace  
expel these thoughts right from my brain
