Never Turn Your Back On Mother Earth

Sparks

When she's on her best behavior
Don't be tempted by her favorsNever turn your back on Mother EarthTowns are hurled from A to B
By arms that looked so smooth to meNever turn your back on Mother EarthGrasp at straws that don't want grasping
Gaze at clouds that come down crashingNever turn your back on Mother EarthThree days and two nights away from my friends
Amen to anything that brings a quick return
To my friends, to my friendsNever turn your back on Mother EarthWell, I'll admit I was unfaithful
But from now on I'll be more faithfulNever turn your back on Mother
Never turn your back on Mother
Never turn your back on Mother Earth
