Playground

Lana Del Rey

This world is ours, mine and yours (be my baby, be my lady)
Don't let me feet touch the ground (that girl's so naughty, we're in a playground)
Sexy games are for playa's like you and me
Just this once I'll let you get into me
I will be whoever you want me to, cos I can't wait for love
(DJ, let's start it up)
I will be the cat and you can be the dog (yeah)
Or I will be the cat and you can be the mouse (ooh yeah)
Let's put it to the test and see what we can do
In the playground...
(DJ, let's start it up)
Run baby run, (I'm runnin')
I can see you runnin'
Hide baby hide (I'm hidin')
I can see you hidin'
Tag, you're it...
Catch me if you can...
We're in a playground
And we're the playa's
This world is ours for tonight(be my baby, be my lady)
Don't get me high, take me low(that girl's so naughty, we're in a playground)
It's a race but I'm headin' for the door
Are you sure I'm the one that you're looking for (hello...)
I will be whoever you want me to, cos I can't wait for love
(DJ, let's start it up)
I will be the girl and you can be the boy (yeah)
Or I will be the girl and you can be my toy(ooh yeah)

Let's lay it all down and see what we can do
In the playground...
(DJ, let's start it up)
Run baby run, (I'm runnin')
I can see you runnin'
Hide baby hide (I'm hidin')
I can see you hidin'
Tag, you're it...
Catch me if you can...
We're in a playground
And we're the playa's

Oooh, we can do whatever we want
Nothing to be stoppin' us now
Come on baby, show me you can...
Be the one I love, the one I need
On the playground (give it to me)
On the playground (girl we can be anything we wanna)
It's alright now (show me that you're mine)
On the playground (yeah)
On the playground (hey let's dance now)
On the playground (gimme some romance now)
And don't forget to leave your number cos I'm gonna call you...
Run baby run, (I'm runnin')
I can see you runnin'
Hide baby hide (I'm hidin')
I can see you hidin'
Tag, you're it...
Catch me if you can...
We're in a playground
And we're the playa's...
