

# A Little In Love

Cliff Richard

It's been so long you say you've had fun  
And you've been happy with the things you've done  
Now you feel strange and a little unreal  
Well, I can understand the way you feel You're just a little in love  
Just a little  
You're just a little in love  
Just a little Well, I can see what's happenin' to you  
You feel alone but it's just not true  
And there's one thing you oughta know  
I need you so I'm just a little in love  
Just a little  
I'm just a little in love  
Just a little You say you're willing to learn  
You need a friend a friend who will help you  
'Cos you're just a little in love, oh yeah  
A little in love, you are a little in love With someone  
You're just like me  
Like me you're in love  
Oh yeah, a little in love You know sometime you look somewhere  
You're not alone but there's no one there  
No one to turn to, no one to see  
The way you're feelin' you're just like me You're just a little in love  
Just a little  
You're just a little in love  
Just a little Now you say you're willing to learn  
And you need a friend a friend who will help you  
'Cos you're just a little in love, oh yeah  
A little in love, you are a little in love With someone  
You're just like me  
Like me you're in love  
Oh yeah, a little in love You're in love, oh yeah  
A little in love  
You are, a little in love  
With someone you're just like me  
Like me you're in love Oh yeah, a little in love  
You're a little in love  
With someone you're just like me You're in love  
You're in love  
You're in love A little in love

With someone you're just like me  
Like me you're in love A little in love  
You are, a little in love  
With someone you're just like me You're in love  
You're in love
