Hell of a Life

ĐšĐ°Đ½ÑŒĐµ Đ£Ñ•Ñ•Ñ,

I think I just fell in love with a porn star
Turn the camera on, she a born star
Turn the corners in a foreign car
Call the coroners, do the CPRShe gave that old nigga a ulcer
Bittersweet taste made his gold tooth ache, uh
Make a knee shake, make a priest faint, uh
Make a nun come, make her cremate, uhMove downtown, cop a sweet space, uh
Livin' life like we won a sweepstakes, what?
We headed to hell for heaven's sakes, huh?
Well, I'ma levitate, make the devil wait, yeahHave you lost your mind?
Tell me when you think we've crossed the line
No more drugs for me
Pussy and religion is all I needGrab my hand and
Baby, we'll live a hell of a lifeNever in your wildest dreams
Never in your wildest dreams, in your wildest
You can hear the loudest screams
Comin' from inside the screen, you a wild bitchTell me what I gotta do to be that guy
Said her price go down, she ever fuck a black guy
Or do anal, or do a gang bang
It's kinda crazy, that's opposite of the same thingWell, I guess a lot of niggas do gang bang
And if we run trains, we all in the same game
Runaway slaves all on a chain gang
Bang, bang, bang, bang, bangHave you lost your mind?
Tell me when you think we've crossed the line
No more drugs for me
Pussy and religion is all I needGrab my hand and
Baby, we'll live a hell of a lifeOne day I'm gon' marry a porn star
We'll have a big-ass crib and a long yard
We'll have a mansion and some fly maids
Nothin' to hide, we both screwed the bridesmaidShe wanna role play 'til I roll over
I'ma need a whole day, at least roll dolja
What party is we goin' to on Oscar day?
Especially if she can't get that dress on Oscar deLa Renta, they wouldn't rent her, they couldn't take the shame
Snatched the dress off her back and told her get away
How could you say they live they life wrong
When you never fuck wit' the lights on?Fuck with the lights, fuck with the, with the lights on
Fuck with the lights, fuck with the, with the lights on
Fuck with the lights on with the, with the lights on
Fuck with the lights, fuck with the, with the lights onFuck with the lights, fuck with the, with the lights on

Fuck with the lights, fuck with the, with the lights onHave you lost your mind?
Tell me when you think we've crossed the line
No more drugs for me
Pussy and religion is all I needGrab my hand and
Baby, we'll live a hell of a lifeI think I fell in love with a porn star
And got married in the bathroom
Honeymoon on the dance floor
And got divorced by the end of the nightThat's one hell of a life
