

When My Boy Walks Down the Street

The Magnetic Fields

Grand pianos crash together when my boy walks down the street
There are whole new kinds of weather when he walks with his new beat
Everyone sings "Hallelujah" when my boy walks down the street
Life just kind of dances through ya from your smile down to your feet
Amazing, he's a whole new form of life
Blue eyes blazing and he's going to be my wife
The world does the "Hula-hula" when my boy walks down the street
Everyone thinks that he's petula so big and yet so petite
Butterflies turn into people when my boy walks down the street
Maybe he should be illegal, he just makes life too complete
Amazing, he's a whole new form of life
Blue eyes blazing and he's going to be my wife
Oh, shadows of echoes of memories
Oh, things that he brings that he found in the sea
Oh, shadows of echoes of memories of songs
Oh, how could he know that it won't be long?
Grand pianos crash together when my boy walks down the street
There are whole new kinds of weather when he walks with his new beat
Everyone sings "Hallelujah" when my boy walks down the street
Life just kind of dances through ya from your smile down to your feet
