

Heaven Bound

Rufus

Darlin' there's a thing or two
I want to take the time to say
Every moment here with you
Puts heaven in my day I'm mystified by the smile that blossoms on your face
And the magic seems to lift me to a cloud where we embrace
I don't have to dream no more, no
Now I believe in miracles
Your love turned my world around Heaven bound
Heaven bound
Heaven bound
Heaven bound Oh, I simply must confess
I'm glad to be a girl
you've got to be an angel
'Cause you put heaven in my world Your shadow is my tropic sun
And it's summer all year long
Your presence is my paradise
How could anything go wrong Now I'm absolutely sure
That you're all I've been living for, yeah
Your love turned my world around Heaven bound
Heaven I'm in, I'm in heaven
I'm in, I'm in heaven
I'm in, I'm in heaven Every time I'm near you my heart just won't keep still
The closer that I get to you, the better that I feel
I don't have to dream no more, no, no Now you're all I'm living for, yeah
Cause your love turned my world around Heaven bound
