## Mission (UK)

Shes got her head in the clouds  
Shes got the stars in her eyes  
And shes dancing  
With a dream in her heartShes got the wind in her hair  
Moon child shining bright  
And shes dancing  
With a dream in her heartSeverina, SeverinaShe believes in angels  
She believes in will of the Gods  
And shes dancing  
Amongst the magic dustShe believes in the midnight trance  
She believes in love is the law  
Shes dancing  
Amongst the magic dustSeverina, SeverinaStar child  
Baby born of heaven  
Severina, SeverinaShes got a heart full of promise  
Shes got a hand in her heart  
Shes dancing  
By the light of the moonShes got a head full of secrets  
Sworn to the faith of love on the will  
Shes dancing  
By the light of the moonSeverina, SeverinaShes a gift to the Gods
