

# Mayfair

## Millie Small

Mayfair strange in the morning light  
Mayfair strange in the summer night  
Mayfair strangest in the afternoon  
Mayfair stretching far above  
Full of fame but lacking love

Could it be we see the Mayfair moon? Mayfair strange across the park

    In the day or in the dark  
    There's no need to walk or even run  
    Mayfair faces clean and nice  
    But beauty here is cold as ice

Could it be we see the Mayfair sun? Mayfair strange at every hour

    Hidden frowns with mystic power  
    Starry heights and golden throne

Down below you're on your own Mayfair strange for passers-by

    Sights of wonder for the eye  
    Could it be that they'll pass by again?

    Mayfair calling far and near  
    For even trees are wealthy here

Could it be we hear the Mayfair rain? Mayfair strange in the morning light

    Mayfair strange in the summer night  
    Mayfair strangest in the afternoon  
    Mayfair stretching far above  
    Full of fame but lacking love

Could it be we see the Mayfair moon?
