Telescope

Nashville Cast

(feat. Hayden Panettiere)

Yeah,
Wonâ€™t do no good, if you run from me
There ainâ€™t no cheatinâ€™, scheminâ€™ my heart donâ€™t see
You left your troubles in my head, in my head
You left your secrets in my bed, in my bed
Youâ€™re like the cover of a book thatâ€™s been read, baby
I know what line is coming next, coming next

You canâ€™t hide from me,
There ainâ€™t no tricks that you can try on me
I know your every move before you even breathe baby
Thinking you know something I donâ€™t know
But my eyes, my eyes, my eyes are like a telescope

Youâ€™re kissing her, when my head is turned
You must be crazy baby, havenâ€™t you learned?
You canâ€™t deceive me silly child, silly child
I donâ€™t believe that greedy smile, greedy smile
My intuition can see for miles and miles baby
Every little sin, and everywhere youâ€™ve been

You canâ€™t hide from me,
There ainâ€™t no tricks that you can try on me
I know your every move before you even breathe baby
Thinking you know something I donâ€™t know
But my eyes, my eyes, my eyes are like a telescope
Yeah, yeah

You left your troubles in my head, in my head
You left your secrets in my bed,

You canâ€™t hide from me,
There ainâ€™t no tricks that you can try on me
I know your every move before you even breathe baby
Thinking you know something I donâ€™t know
But my eyes, my eyes, my eyes are like a telescope

You canâ€™t hide from me,

There ainâ€™t no tricks that you can try on me
I know your every move before you even breathe baby
Thinking you know something I donâ€™t know
But my eyes, my eyes, my eyes are like a telescoá¹—e
