I Hear a Rhapsody

Liberace

When you're near the murmuring of the breeze
Becomes a symphony, a rhapsodyAnd when I hear you call so softly to me
I don't hear a call at all, I hear a rhapsody
And when your sparkling eyes are smiling at me
Then soft through the starlit skies, I hear a rhapsodyMy days are so blue when you're away
My heart longs for you, so won't you stay?
My darling hold me tight and whisper to me
Then soft through a starry night I'll hear a rhapsodyMy days are so blue when you're away
My heart longs for you, so won't you stay?
My darling hold me tight and whisper to me
Then soft through a starry night I'll hear a rhapsody
