

# I Hear a Rhapsody

[Liberace](#)

When you're near the murmuring of the breeze  
Becomes a symphony, a rhapsody And when I hear you call so softly to me  
I don't hear a call at all, I hear a rhapsody  
And when your sparkling eyes are smiling at me  
Then soft through the starlit skies, I hear a rhapsody My days are so blue when you're away  
My heart longs for you, so won't you stay?  
My darling hold me tight and whisper to me  
Then soft through a starry night I'll hear a rhapsody My days are so blue when you're away  
My heart longs for you, so won't you stay?  
My darling hold me tight and whisper to me  
Then soft through a starry night I'll hear a rhapsody
