

# Walk Through This World With Me

[Tammy Wynette](#)

Walk through this world with me go where I go  
Share all my dreams with me I need you so  
In life we search and some of us find I've looked for you a long long time  
And now that I found you new horizons I see  
Come take my hand and walk through this world with me  
[ guitar ]

Walk through this world with me go where I go  
Share all my dreams with me I've searched for you so  
And now that I found you new horizons I see  
Come take my hand and walk through this world with me  
Come take my hand and walk through this world with me
