

# Little Man Youâ€™ve Had a Busy Day

Jane Monheit

Evening breeze is sighing,  
The moon is in the sky,  
Little Man, it's time for bed,  
Mama's little hero is tired and wants to cry,  
Come along and rest your weary head. Little Man, you're crying,  
I know why you're blue,  
Someone took your kiddie car away,  
Better go to sleep now,  
Little Man, you've had a busy day,  
Johnny wants your marbles  
Tell ya what we'll do  
Ma will get you new ones right away  
Better go to sleep now  
My Little Man, you've had a busy day  
You've been playing soldier  
That battle has been one  
The enemy is out of sight  
Come along dear soldier, put away your gun  
The war is over for tonight  
Time to stop your scheming  
Time your day was through  
Can't you hear the bugles softly sing  
Time you should be dreaming  
My Little Man, you've had a busy day.  
You've been playing soldier  
The battle has been won  
The enemy is out of sight  
Come along there soldier, put away your gun  
The war is over for tonight  
Time to stop your scheming  
Time your day was through  
Can't you hear the bugle softly sing  
Time you should be dreaming  
My Little Man, you've had a busy day.
