Miley Cyrus

Boom clap, boom de clap
Boom boom clap, boom de clap
Boom boom clap, boom de clap
Boom boom clap, boom de clap
Whoa oh oh, here we go Boom boom clap, boom de clap de clap

Everybody come on, off your seats
I'm gonna tell you about a beat
That's gonna make you move your feet I'll give the barbeque
Show and tell you how to move
If you're 5 or 82
This is something you can do Pop it, lock it, polka dot it
Countrify it, hip hop it
Put your hawk up in the sky, move side to side
Jump to the left, stick it, glide Come on everybody
Ok, we're gonna do this one more time Pop it, lock it, polka dot it
Countrify it, hip hop it
Put your hawk up in the sky, move side to side
Jump to the left, stick it, Slide Zig zag cross the floor
Shuffle in diagonal
When the drum hits hands on your hips
1,2,3 gime 180 twist And then a zig zag, step, slide
Lean in back clap three times
Shake it out from head to toe
Throw it all together, that's how we roll Do the hoedown
(Throwdown!)
Do the hoedown
(Throwdown!)
Do the hoedown
(Throwdown!)
Throw it all together, that's how we roll Come on , here we go Pop it, lock it, polka dot it
