

# Get Out Of My Mind

## Hootie & The Blowfish

Last night had a crazy dream  
You were everywhere it seemed  
You were filling up my soul  
Doin' everything to make me whole  
Read about you in the Sunday paper  
I saw your face on the Evening News  
Now, when I woke everything was gone  
And I remembered we were through  
Don't come 'round here no more  
Hey, get out of my mind  
Then you tell me we got things to say  
You come around here looking so fine  
Makes it so hard to walk away  
Oh, get out of my head  
Because that look, they could leave me dead  
And then you tell me that you love me  
Remember, you were the one to leave?  
I came back home and I couldn't believe  
I know I would have given anything  
You took it all and you made me think  
Why would you leave for another man?  
What does he have, Lord, that I don't have?  
I see you stayin' in his fancy home  
I put on Lauren and I drink alone and say  
Don't come 'round here no more  
Hey, get out of my mind  
Then you tell me we got things to say  
You come around here looking so fine  
Makes it so hard to walk away  
Oh, get out of my head  
Because that look, they could leave me dead  
And then you tell me that you love me  
I'll be there for you  
I remember when I said that I would  
Always love you too, I lied  
Don't come around no more  
Hey, get out of my mind  
Then you tell me we got things to say  
You come around here looking so fine

Makes it so hard to walk away  
Oh, get out of my head  
Because that look, they might beat me dead  
And then you tell me and you tell me  
Hey, get out of my mind  
Then you tell me we got things to say  
You come around here looking so fine  
Makes it so hard to walk away  
Oh, get out of my head  
Because that look, they could leave me dead  
And then you tell me that you love me
